Dear Parents,

Learning Fest 2014 - Workshops for Parents

CHIJ (Katong) Primary is pleased to organize our third Learning Fest 2014 – Workshops for Parents. As your partner in educating and nurturing your child, we cordially invite you to attend Learning Fest 2014, which aims to:

- equip parents with knowledge and strategies to connect with their children;
- provide opportunities for parents to have a better understanding of the school curriculum and teaching strategies so that they can better support their children’s learning.

The details of the Learning Fest are as follows:

Date: 15 February 2014 (Saturday)
Time: 8.45 am – 12.30 pm
Venue: CHIJ (Katong) Primary
Registration fee: $5 per participant (to cover cost of handouts and light refreshments)

Please log onto www.mcoline.sg using your daughter’s account and register online for the workshops/talks between 28 January – 3 February. As the number of places for each workshop/talk is limited, registration is on a first-come first-served basis. Please note that only two places will be allocated to each pupil’s McOnline account. The list of available workshops and screenshots of the registration process are attached.

Payment in cash for the Learning Fest may be made through your daughter on 5 and 6 February during her recess in the school canteen.

As the workshops/talks are organized for parents, we request that you do not bring your child/children along so that all parent participants can reap the full benefits of the sessions they have registered to attend.

Please note that parking is not available on the school premises. If you are driving, you are advised to park at the nearby Marine Parade HDB estate carpark lots.

If you require any clarifications, please do not hesitate to contact Mrs Tracey Hoa at 63443072.

We look forward to seeing you at the Learning Fest 2014 - Workshops for Parents.

Warm regards,

Mrs Tracey Hoa
